If its an elegant mesh backed chair, sturdy 24/7 controller, or just that simple operators chair to roll around your home office in we've got the lot. Working closely with some of the UK's leading manufacturers, we've tried to bring you a selection which covers all the bases, but leaves no stone unturned when it comes to finding the best and most reliable.

We even have our own range of chairs which we make right here in East Anglia. Just pop in, find the model you like, pick the specification and colour and we'll get to work making a chair that you'll love. And with a 5 year warranty you'll find no one that will look after you better.

**Multiple
Fabric Choice**

**5 Year
Warranty**

Suffolk Made

Come to our showroom where we have a large selection of our chairs out on show. Our specialist staff will be able to pick out the perfect chair for you. We can make sure the seat is fully adjusted for you and give you advice on how best to use it.

Ickworth High Back - Operator Chair

Our high back operator chair is available with a choice of two mechanisms; static or tilt.

The tilt mechanism allows the user to adjust the seat angle. Ideally the user should be tilted slightly forward, relieving pressure on the thighs and improving posture. The moulded seat and back foam give excellent lumbar support and long term comfort.

Supplied with a 5 year warranty and a large choice of fabric colours.
