FLEXIBLE WORKSPACES

Changes in working practices and mobile technologies have made lockers more relevant today than ever before.

The practicality of lockers makes them ideal for both schools and offices. Liberty lockers are available in a selection of height, widths and colour finishes as standard, or you can request a bespoke design to give your project that all-important 'finishing touch'.

6 standard colour finishes:

Beech

Maple

Light Oak

Birch

White

Walnut

Double column lockers, 1600mm high
with custom colour combination featuring
bespoke letterboxes.

MOBILE WORKING

Liberty lockers provide mobile workers with a safe and secure place to store their personal belongings.

Shown right: Triple column lockers, 1220mm high with custom colour combination and electronic keypad.

SCHOOLS, COLLEGES **AND UNIVERSITIES**

The education sector is still one of the biggest markets for lockers.

Liberty lockers are robust enough to cope with the rigours of regular use in educational environments.

Shown left: Double column lockers, 1600mm high.

SPACE PLANNING

Liberty lockers can be used to divide and define space within the office.

You can use lockers to create different zones – adding another dimension to your space planning projects.

PERSONALISATION

Our expertise in bespoke manufacturing gives you the opportunity to get creative.

Personalise your Liberty lockers according to a particular colour scheme, brand or theme. Get in touch today to find out more.
